STAR COCONUT

Square tiles made from natural coconut shells, each with a distinctive pointy center that creates a textured 3D effect. The mix of brown tones adds warmth, eco-friendly touch to any space.

SIZE (MM):
300 X 300

CHIP SIZE(MM)
: 50 X 50

MATERIAL:
COCONUT SHELL

A BOX : 1 QTY :
11 PCS: 1 SQM

for ceiling

A photograph of two men in batik shirts holding a large, textured, brown, cube-shaped object, likely a prototype or product, in a crowded indoor setting. The man on the left is wearing a red and brown batik shirt and a lanyard with a badge. The man on the right is wearing a yellow and black batik shirt and glasses. They are standing on a blue carpeted floor, and other people are visible in the background.

Let nature's charm and modern design meet on your walls

Thank you for exploring our collection. Each piece is crafted with passion and precision.
